

2024 Taiwan Public Health Joint Annual Conference.

Topic : Strengthening Public Health Care Net and Eliminating Health Inequalities

Date : October 5 to 6, 2024

Venue : Tzu Chi University

(701 Zhongyang Rd., Sec. 3, Hualien 970374, Taiwan)

Paper submission instructions :

【Form of paper publication】

To publish individual papers, contributors can choose to post in the form of oral presentations or poster presentations, but the method recommended after review shall prevail. The oral presentation (including discussion) will last for 15 minutes. Participants in the poster presentation are required to post their poster materials on the poster board at the venue during the presentation time. The paper review results will publish on the official website.

【Date of abstract submission】 : from now to July 31

【Dissertation Abstract Rules】

It divides into six major themes, including Health Policy and Management, Health Education and Behavioral Sciences, Epidemiology and Biostatistics, Environmental Health and Occupational Medicine, Injury Prevention and Safety Promotion, and Global Health. The content of the abstract includes the background and purpose of the research, methods, results, and conclusions. The number of words is limited to 500 characters. Please type in the word, please use 12-point standard italics and horizontal text, and the line spacing is "minimum line height" of 16 points. There should be one blank line between the title and the author's name and the agency and the abstract body. There should be one word between authors when there is more than one author. When there is more than one service agency, please use small Arabic numerals to indicate the description on the upper right of the author.

【Contribution method】

Please go to the website of the Taiwan Society of Public Health for "Online Submission" (file name: paper title - author's name - upload date).

【Precautions】

Poster size: 90*120 cm, paste tools are available on site. The poster will have a selection award with a prize of NT\$1,000. The list of winners will announce on the TPHA official website.
